Mr. Roy Norris, Industrial Secretary
Newark Urban League
58 W. Market Street
Newark 3, New Jersey

Dear Roy:

It was indeed great hearing from you last week and I do hope to have the pleasure of seeing you sometime in the near future. I was especially happy to know that you are married and also to hear that you are a father. As you no doubt know, I am a father of one child and I am expecting to be the father of another in August at which time I will go to Atlanta where my wife now lives. 5.

My work here, thus far, has been of interest, and I do hope you are having the greatest of success in Newark. I might suggest, however, that whenever you are in or around Madison, New Jersey that you drop in and visit my parents and older brother. The address is 20 Cook Avenue.

Please let me hear from you again. I am,

Your friend and well-wisher,

E. Vincent Suitt
